

# OVERVIEW OF PRODUCTS

H&Y Manufacturing Ltd. has quickly gained recognition in the industry for its dedication to producing effective, environmentally-friendly cleaning solutions. Our flagship products, the **PROMAXX** dishwashing liquid soap and **BEST CHOICE** liquid hand soaps, have become household staples, trusted by families in Belize.

At H&Y Manufacturing Ltd., we understand the importance of not only effectively cleaning your dishes and hands but also ensuring gentle care for your skin. Our products are specially formulated to be antibacterial, biodegradable, and soft to the hands, providing a superior cleaning experience while keeping your skin healthy and protected.

Continuing our commitment to innovation, we are excited to introduce our latest addition to the H&Y family: **ISABELA** Liquid Detergent for clothes. Designed to deliver outstanding cleaning performance, **ISABELA** is a testament to our relentless pursuit of excellence in household care. Its powerful formula tackles tough stains while maintaining the integrity of your fabrics, leaving them fresh and clean.

But our journey doesn't end there. We are eagerly preparing to launch the **ISABELA** fabric softener and antibacterial multipurpose cleaner, products that will enhance your home cleaning routine. Infused with a delightful and long-lasting fresh scent, these upcoming additions will transform your cleaning experience, ensuring a clean and fragrant living environment for you and your loved ones.

At H&Y Manufacturing Ltd., we take pride in our ability to develop superior cleaning solutions that make a difference in the lives of our customers. With a strong commitment to quality, sustainability, and customer satisfaction, we look forward to serving you and your household needs.

Our clients choose H&Y Manufacturing Ltd. for products that deliver exceptional cleanliness, gentle care, and a lasting fresh scent – because we believe in creating a cleaner, happier home for everyone.
